

Mark 9:23 "If you can believe, all things are possible to him who believes.

Here we go 2016!!!! We are declaring salvations, blessings, open doors, supernatural health and strength, provision, restoration, vindication, and moving in power and authority. We are putting on the whole armour of God and moving forward without fear and no looking back. Looking up to where our help comes from.

May you have the best year ever full of hope love and forgiveness. 2015 is over; if it was hard, it's over, if it was good, it's over, if it was sad it's over. This past year we had a difficult year but also a great year GOING DEEPER because we know THERE IS MORE.

In 2015 we went to where the gospel had never been preached, reached out to Sukuma tribes people, Witch doctor got saved, we have two new churches, we began a Prison ministry, and gave out blankets and soccer balls to the prisoners.

We also gave out shoes at Victory Academy, handed out school supplies, had crusades, put up the roof at the Agape school building, reopened a church in Tanzania, and had 8 Bible School graduating classes, baptisms, surgery to straighten out a little boys legs, ladies net ball team, championship of our Victory soccer team, distributed water filters to villages, started pigs projects and chicken projects etc etc. WOW in the middle of a difficult situation, the Lord is unstoppable.

For 2016 we plan to do more of the same plus we are also going into Congo with Bible Schools and training leaders and new prison ministries, farming projects, we also want to bring computer classes into Victory Academy, we already have a solar panel in place, we will do more women empowering projects and a new building for Agape Primary school where we have over 750 students!!!!

We are looking for laptops to bring to Victory Academy-Busuma if you would like to donate a new one or have one in good condition, please let us know. 504 908 7395

ACM is so grateful to all of you and you can see your prayers and financial support is impacting generations. Please consider becoming a monthly partner or get behind one of our projects.

Dream again, believe again, try again, love again, forgive again. 2016 the best is yet to come BELIEVE!!!!
